What if the university club I want to register with doesn’t appear here?
Only the BAFA registrations team can add on an additional club to your profile. Please contact registrations@britishamericanfootball.org and request this be added to your profile.
Five options are now available to you.

If you are a player, select **University Player** – **scroll to the far right to find this**.

Coaches should select **Coach**, Player / Coaches should Select **PlayerCoach** and those in sideline roles such as gameday manager, physiotherapist, videographer, statistician etc should select **Other**.

Please ignore Contact and Flag – these are for National Leagues teams only!
Clicking on one of these options will give you a screen like this.

You should be able to select your university team in the drop-down box. If it’s empty, then go back a step and make sure you have selected the correct option and switched to your university club.

Make sure you complete the requested information, and then click on finish. You will then be taken to the checkout page.
If your university pays for your membership directly, no charge will be made at the point of registration, your university will be invoiced directly for the total cost of all players and coaches instead. Members will still need to click ‘complete order’ to finish their membership setup, but there will be no charge – the cart total will be 0.00.

If you are not a pay by invoice team, players, coaches and staff will be charged as follows at the point of checkout:
Players - £20
Coaches or Player/Coaches - £58.50
Other (photographers, physios, gameday manager, sideline staff etc) - £1

Please follow the onscreen instructions to complete your payment. There will be an option to print your invoice confirmation once you have made your payment. You will also receive your confirmation via email.
