Your profile page will then be brought up. The first step here is to add your profile picture. This needs to be a passport style photo with a clear image of your face.

You can add this by clicking on the camera icon and browsing for an image. Please be aware, a group photo, or a photo with you wearing helmet etc will not be accepted and may result in you not appearing on your game day roster.

As well as photo upload you will also need to complete any outstanding profile details, including your emergency contact.

You then need to select a club. Clicking on select club will pop up a club finder window.

To use the club finder, you can either enter the club name or search by post code.

Not all teams have entered their post code on their club profile, so we recommend leaving the post code field blank, and setting the drop down box for radius of search to 'all clubs' as shown in the example below. If this still doesn’t bring up your chosen club, try switching from map view to list view and re-entering your club name. Please make sure you click on the right club as these locks it in once you have selected.
Once you’ve found your chosen club, click on select club to set it as your primary club on your profile.

Your next step is to buy a membership. Five options are now available to you.

- Contact is for players of all levels of contact football only
- Adult / NWFL trial membership is for our practice only trial membership
- Coach is for coaches only
- Player coach should be purchased by members intending to both play and coach, even if this will be with different teams.
- Non-coaching staff is for roles such as gameday manager, physiotherapist, statistician etc).
Select the appropriate option for the team you want to register for. You will then be presented with something that looks like this:

Clicking on an option then gives you a couple of drop down boxes to choose from including selecting your team. If a team does not display here, make sure you have selected a club first.

Please ensure that you complete the drop-down sections as well as ID upload section. Members under 16 will also need to confirm parental consent.

The system requires 1 form of ID to be uploaded. Documents accepted include:

- UK Driving License
- Passport
- Identity Card
- Birth certificate

Please add any reference numbers included on the document. If no reference number is available, please enter xxxx. If your document does not include valid from/expiry dates please enter today's date. The expiry date will automatically be populated with the date that we will require your ID to be updated.

If you are under 18 we will accept parental details as proof of address. Under 18s can also upload their Bus or Train pass, Student card or Young Scot card.
A pending approval message will then appear on the screen if your ID has been successfully uploaded. This can be ignored at this time. Scroll down and select finish. You will then be taken to the payment page.

Additional ID requirements for non-UK nationals

Due to insurance requirements, individuals applying for BAFA membership who are not UK nationals must be able to produce proof of normal residency in the UK. Normal residency is defined by our insurers as residing or planning to reside for over six months in the UK with permission to stay. Exceptions include those residents in the UK on military assignments and students on a valid and current student visa.

We require proof of residency from non-UK nationals to be loaded into the membership system and be approved before a membership can be purchased - examples (not exhaustive) of the
suitable documentation are:

- A valid biometric residence permit (BRP) or current passport, endorsed to show they’re allowed to stay in the UK. The permit of passport endorsement should be current, in the individual’s name and issued by the Home Office, and needs to show that the individual has one of the following: indefinite leave to enter or remain in the UK, no time limit to their stay in the UK, a time limit to their stay in the UK of six months or more, a certificate of entitlement to the Right of Abode, exemption from immigration control

- A UK Government immigration status online share code showing settled or pre-settled status or right to remain

- A digital or non-digital certificate of application to the EU Settlement Scheme

- A full and current UK photocard driving licence

- A recent HMRC tax notification such as a tax assessment, statement of account or notice of coding

- A local authority tax bill where the individual is named

- A current benefit book or card or original notification letter from the Department of Work and Pensions

- A recent utility bill (gas, electricity or landline telephone) where the individual is named.

For members from within the common travel area, a valid passport or driver’s licence issued in the Republic of Ireland, the Isle of Man, and the Channel Islands. (Please note – this does not include British Overseas Territories)

Valid and current documentation proving that one of the two exceptions apply such as a student visa or copies of military orders.

For under 18s who may not have such documentation, any of the above in a parent/guardian’s name showing the same address as the individual will be accepted.

The following are examples of documentation that is NOT acceptable to prove residency:

- A tenancy agreement or rent card

- A bank statement

- A bill or statement for anything other than gas, electricity or landline telephone

- Any other letter sent through the post or any pictures of received mail

- A photo of an email from a school or university

- A provisional driving licence

- Membership cards – for example, gym membership or supermarket discount cards
