

British American Football and Sterosport Partnership – BAFA Offers

Sterosport – Sport First Aid, Created by Experts, Chosen by Professionals (www.sterosport.co.uk)

Sterosport is a leading UK brand in sports first aid. Sterosport products are manufactured to surpass stringent British standards for 100% satisfaction, equipping you with only the very best in quality at critical moments.

British American Football (BAFA) are working in partnership with Sterosport (www.sterosport.co.uk), the sports division of Steroplast Healthcare, established to help sports clubs and participants to turn setbacks into comebacks. BAFA trainers/ physios use Steroplast products for the medical requirements of the national programme.

The partnership offers BAFA members discounts on first aid products and sports tapes. Clubs, trainers and coaches can access the equipment they need to provide safe American Football and participants can keep moving with the range of quality Steroplast medical products for sports injuries.

BAFA member discount code

BAFA members can buy the very best quality first aid and medical products at very competitive prices. Use the **discount code BAFAPST** to get **25% off** Steroplast products at www.sterosport.co.uk.

Key products and discounts for BAFA members

- **Sports First Aid Kit:** Use the code **BAFAKIT** to get 40% off the Sterosport [Sports First Aid Kit](#). The standard for sports club first aid – this new kit aligns to National Governing Body standards and guidance for sports first aid and contains over 60 essential first aid items. Make sure your club is prepared for sports injuries with the Sports First Aid Kit. [Click here](#) for the full range of Sterosport first aid kits.
- **Pitch Side Trauma:** Everything you need for the treatment of pitch side injuries to keep your team moving. Use the code **BAFAPST** for 25% off the following:
 - [Sterofreeze Spray](#) – Instant pain relief with the ice spray that cools the skin and relieves muscle pain and stiffness.
 - [Sterofreeze Instant Ice Packs](#) – Squeeze and shake instant ice packs for a highly effective ice-cold compress in seconds.
 - [Sterostrip – Sutures](#) – Extra strong and reliable wound closure strips.
 - [Sterowipe Alcohol Free Cleansing Wipes](#) – Ensure greater adhesion of dressings to the skin with these cleansing wipes.
 - [Steropore Adhesive Wound Dressings](#) – Extremely flexible, large wound dressings with hypoallergenic adhesive.
 - [Sterostrip Hypoallergenic Washproof Plasters](#) – 100 assorted sized premium washproof plasters with hypoallergenic adhesive.
 - [Blister Cushions](#) – Virtually invisible dressings that protect against rubbing and knocks anywhere on the body.
- **Sterosport tapes and strappings for American Football:** Use the code **BAFATAPES** for 25% off selected sports tapes and strappings including:
 - [Sterotape-K Kinesiology Tape](#) – Provides additional support and stability to muscles and joints without affecting the wearers range of movement.
 - [Sterotape Z.O. Zinc Oxide Tape](#) – Strong and rigid adhesive zinc oxide tape for strapping up injured joints and to provide support to prevent sporting injuries. Available in four sizes for effective taping of all joints including fingers, hands, wrists and larger joints (shoulders, hips, knees).
 - [Sterotape Premium](#) – An unrivalled rigid sports tape that once applied, stays put, during the most competitive of sports. Completely rigid – provides total support.

- [Steroban Cohesive](#) – Versatile bandage to provide compression and support. Tearable and sticks to itself and not the skin. Using a layering technique creates additional support.
- [Steroban Cohesive Riplite](#) – The number one cohesive bandage for sport. Easily tearable, fast and precise compression bandage. Provides comfortable and controlled support and compression.
- [Steroplast EAB – Premium](#) – High quality elastic adhesive bandage, offering exceptional strength and support.
- [Steroplast EAB – Trainers Choice](#) – A great EAB for everyday club use. Provides flexible support for moving joints.
- [Steroplast EAB – Tearlite](#) – Lighter weight ‘crinkly’ EAB that tears easily by hand. Versatile and supportive bandage and perfect for ultra-quick application.

Please note that only one discount code can be used on each order. For orders of multiple items using multiple codes, please place separate orders but only select the delivery option for the first order.
