

STEROTAPE

Premium

Loved by physiotherapists and sports professionals that have used them for over 25 years, because there's no fuss, no waste and they're quick to apply without the frustration associated with cheaper alternatives.

Steroplast only use superior, tried and tested specialist materials, coated with medical grade "high-tac" adhesives, providing an ease of unwind for controlled application and better patient outcomes.

What makes it premium?

- Ultra strong "high-tac" adhesive
- Serrated edge, no scissors required
- Ease of unwind
- Breathable adhesive
- Completely rigid
